

Our providers
make house calls

Online and on time...Health care designed with **you in mind.**

Urgent Care is more convenient than ever.

Now, you can **stay home, stay safe**
and get the medical care you need with
Saint Agnes Video Visit.

From your **tablet or smartphone**, you can
chat with one of the same urgent care providers
you would usually see in-person – and for the
same cost as your regular urgent care co-pay.

And did we mention, there's no waiting.

To make an appointment, call (559) **450-SICK** (7425).

When it's time for your visit, you'll receive a link
to initiate your **video visit**. There's no download
or special app required.

It's health care made easier.
